FIFTH WHEELS

Explore new places off the beaten path. Share the sites you knew as a kid with your own family. The Columbus is distinctively styled with residential details, designed to reflect the insights of a seasoned Fifth Wheel enthusiast. Rich hand-rubbed, raised panel cherry hardwood cabinetry, five inch drawer handles (instead of the standard four inch), durable dovetail drawers with reinforced bottoms and attractive raised panel cabinet doors and hidden hinges create an upscale feeling of home.

381FL *This elegant master bedroom is designed with the comforts of home. Residential details include large, mirrored wardrobe storage with cabinets above. Shown in Hampshire Decor with Espresso Cabinetry.*

The Ultimate Getaway

381FL *has five spacious slide outs. Relax on large comfortable sofas and theater seating while enjoying this spacious, entertainment-friendly front lounge featuring a 55" TV with soundbar, and a full wall entertainment center. The electric fireplace is an available option.*

Columbus models are designed with the largest showers in the industry. This 60" x 30" residential shower has a textured glass door, built-in seat and oversized skylight. This rich, contoured cherry hardwood vanity has a solid surface countertop with a deep sink.

381FL *Abundantly appointed, this model is loaded with storage and an island with a double bowl stainless steel sink, solid surface countertops, Espresso wood interior, light wood flooring and Hampshire decor. Columbus offers the largest selection of optional refrigerators in the industry. The four-door, side-by-side gas/electric refrigerator option is shown above.*

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.
GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.
UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.
CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.
*Estimated Average based on standard build optional equipment. ** Estimated average based on standard build optional equipment.
Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.
The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

CUSTOMER SERVICE • PREFERENTIAL PRIORITY • VALUABLE RELATIONSHIPS
Forest River Encourages You to
buy local

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
